

HISTORIC MIRAMAR INFRASTRUCTURE IMPROVEMENTS PROJECT (HMI13) Newsletter

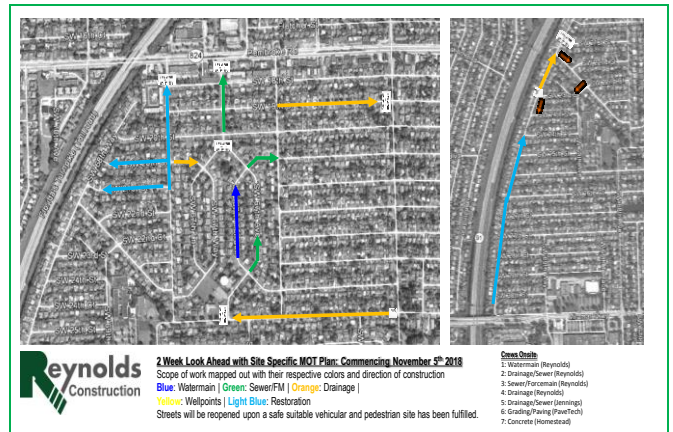

October 31, 2018 vol. 2

The HMI13 Project Team is managing the Historic Miramar Infrastructure Improvements Project Phase 3 (HMI13). The intent of this project is to update the 1950's era water mains and enhance fire protection. It will also provide sanitary sewer service that will allow property owners to abandon their septic tank once connected to the new sewer system, and improve storm water drainage in your neighborhood.

We encourage you to contact the dedicated HMI13 customer service relations team at hmi13@adamsconsulting.biz or 954-998-3146 with questions or for additional information.

What's Taking Place in your Neighborhood?

- *Roadway Restoration* – First lift of asphalt has been completed on SW 67th Way, SW 67th Lane, SW 20th Street, SW 23rd Street, and SW 68th Avenue from SW 25th Street to SW 21st Street.
- *Roadway Restoration (Light Blue)* and *storm drainage construction (Orange)* on SW 68th Avenue is in progress.
- *Sanitary Sewer construction (Green)* on SW 20th Court, east of 67th Ave; and on SW 67th Lane, between 67th Avenue & SW 67th Way.
- *Storm (Orange) drainage* is under construction on SW 68th Avenue from SW 21st Street to SW 18th Street, SW 22nd Court, SW 22nd Street, Sunshine Boulevard from SW 23rd to SW 21st Street and SW 19th Street from SW 66th Avenue to SW 64th Avenue is in progress.
- *Water construction* on Sunshine Boulevard is complete.

What's Next?

- *Roadway Restoration (Light Blue)*- The first lift asphalt on the following roadways is scheduled for completion by December 2018:
 - SW 68th Avenue from SW 21st Street to SW 18th Street
 - SW 20th Court west of SW 68th Avenue
 - Sunshine Boulevard from SW 30th Street to SW 27th Street

When Will It End? HMI13 is scheduled for completion by September 2019
