

# HISTORIC MIRAMAR INFRASTRUCTURE IMPROVEMENTS PROJECT (HMII3) Newsletter

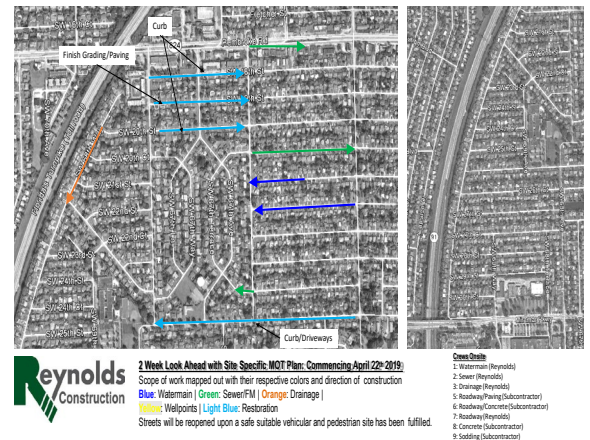

April 22, 2019 vol. 8

The HMII3 Project Team is managing the Historic Miramar Infrastructure Improvements Project Phase 3 (HMII3). The intent of this project is to update the 1950's era water mains and enhance fire protection. It will also provide sanitary sewer service that will allow property owners to abandon their septic tank once connected to the new sewer system, and improve storm water drainage in your neighborhood.

We encourage you to contact the dedicated HMII3 customer service response team at [hmii3@adamsconsulting.biz](mailto:hmii3@adamsconsulting.biz) or 954-998-3146 with questions or for additional information.

## What's Taking Place in your Neighborhood?

- Roadway Restoration - (*Light Blue*) construction of sidewalks, curbs, subgrade and base in preparation for the first lift of asphalt on SW 25<sup>th</sup> Street from SW 64<sup>th</sup> Avenue to SW 68<sup>th</sup> Avenue remains in progress.
