

Attention Miramar Small Business Owners

FREE

Professional Business Analysis and Counseling!

Expert Business Advice provided by SCORE, a resource partner with the United States Small Business Administration (SBA).

Supported by the City of Miramar.

The City of Miramar announces a **FREE**

service to our business community.

SCORE will offer small business owners or potential business owners, one-on-one professional counseling with business counselors, including:

- ✓ Training and technical assistance in all aspects of small business management
- ✓ Assistance to small businesses with financial, marketing, production, organization and technical counseling
- ✓ Assistance with creating a business plan, feasibility study and loan packages

To get FREE local mentoring and/or business counseling - please register at:
