City of Miramar Set To Open New Police Headquarters

After 11 years, The City of Miramar is set to open their new 65,000 square-foot Police Headquarters at Town Center on Wednesday, June 15th!

MIRAMAR – A Ribbon Cutting ceremony is scheduled for the new Miramar Police Headquarters on Wednesday, June 15, 2016 at 10am at 11765 City Hall Promenade (adjacent to City Hall @2300 Civic Center Place), Miramar, FL 33025.

City of Miramar Police Station

The 65,000-square-foot headquarters, located at the Miramar Town Center, has been in development since 2005 after the Police Department's former home was deemed uninhabitable after Hurricane Wilma. The newly-constructed Miramar Police Headquarters, which broke ground in December 2014, will also house the City's Emergency Operations Center.

According to Police Chief Dexter Williams, *"The Miramar Police family has been eagerly waiting for our new home. The day we placed shovels in the ground sparked the beginning of a new adventure. We will remember our past and celebrate our future while providing stellar police service to our community. On behalf of the men and women of the Miramar Police Department, we thank you for your continued support."*

In keeping with environmental concerns and costs, the Miramar Police Headquarters will be submitted for Leadership in Energy and Environmental Design (LEED) certification.
